2024/2025

RECOGNITION PROGRAM

SASKATCHEWAN SNOWMOBILE ASSOCIATION

In retirement of the SSA Excellence awards we are now presenting the 2024/2025 Recognition Program where we are recognizing outstanding individuals, dealers, businesses, groomers, youth and families.

Over the years the SSA and its member clubs have participated in recognizing outstanding individuals, dealers, businesses, groomers, youth and families in the snowmobile community. The program evolved from Diamonds In The Snow to the SSA Excellence Awards and now we are introducing a new recognition program. This will include an easier and more accessible nomination process with a broader reach for nominating a variety of outstanding individuals, dealers, businesses, groomers and families. You do not have to be member of the SSA or club to be nominated. We welcome nominations of any individuals, dealers, businesses, groomer operators, youth or families. The nomination process is open to everyone who enjoys the sport of snowmobiling!

We have created a QR code and link that allows you to nominate anyone from a quick scan on your phone. The QR code and link will take you to a page with a series of easy questions that you will need to fill out to place your nomination. There are no age restrictions or specific qualifications that these outstanding individual, dealers, businesses, groomers, youth or families needs to be reaching.

The SSA will start accepting nominations on December 1st until March 15th.

The winning nominees will be recognized and showcased in our monthly newsletter, on our social media posts, and on the SSA website. They will also be provided a prize chosen by your SSA Events Committee. The prize will be determined by the amount of participation and nominations collected.
